

PAYMENT UPDATE!

14/01/2025

Good morning Homeowners,

We are happy to inform you that we are now approved by the National Commercial Bank to have an additional payment method (**The Fygaro platform**) to process your monthly maintenance. We want to assure you that this is a fast and secure platform that enables persons to process multi-currency credit card transactions on the website using Visa and MasterCard anywhere across the world.

Please note that a link will be made available for payment, we ask that persons using the link indicate in the **"Add a Note"** section, their lot and phase number in an effort to assist with assigning your payment. If an Agent is paying fees for a Homeowner, we ask that the Homeowner's name and lot number be added to the same. For homeowners paying from overseas, please note that you can make payments using any currency. You will need to just input the Jamaican amount you wish to pay.

The Fygaro link will also be available on the Drax Hall Manor Company's website.

Attached below is a copy of the payment link.

<https://www.fygaro.com/en/pb/92bd5a99-5013-468d-ab73-782f8b2f7c80/>

Kind Regards

Chrisana Robinson
Property Manager
